RE: Reconnaissance Level Characterization Report (RLCR) for Buildings 120, 120A & B, 920, 920A & B - Concurrence

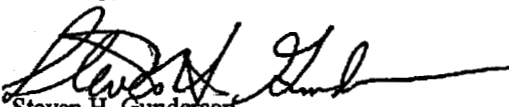

Dear Mr. Legare:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division has reviewed the RLCR for the Area 5, Group 15 Closure Projects Buildings 120, 120A, 120B, 920, 920A, and 920B, Revision 0 dated May 5, 2003. Based on the information contained in the RLCR we are hereby concurring with the determination that Buildings 120, 120A, 120B, 920, 920A, and 920B are Type 1 Facilities.

Since these security facilities are still being used, a minimal investigation may need to be performed to confirm that contamination of these facilities has not occurred prior to initiating demolition activities. This final investigation should be coordinated with us utilizing the consultative process.

If you have any questions regarding this correspondence please contact me at (303) 692-3367 or David Kruckek at (303) 692-3328.

Sincerely,

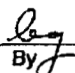

Steven H. Gunderson
RFCA Project Coordinator
